PRESIDENT'S REPORT

AT THE END of the season as we begin to plan for 2000, it is worthwhile looking back to assess how well we have progressed.

As we concluded 1998, one of the most important issues facing us was the need to consolidate the level of on-field experience across our ranks to meet what then appeared to be a decline in our available numbers. From an end of the year perspective it is pleasing to note that we achieved that goal. More referees got to experience action in higher grades, some in their first A Grade centres. Overall, the standard of touch judge work, last year identified as an emerging problem, improved.

Much of this progress was the result of a deliberate policy of encouraging people through the junior and senior appointment process. But some of it was the result of necessity. The greater our success in having members selected to operate in the representative squad or are graded the greater the pressure on us to "find" regular replacements. While this places a major drain on our on-field resources, it is a positive "driver" of our programs to recruit and train new referees and to provide personal development for everyone. In turn, the success of our representative and Graded people signifies the opportunities that exist for others if they have a mind to go that far. This provides challenges for people to work at increasingly higher standards, to be noticed, to perform consistently.

For season 2000, the task of the incoming Board of Management, the CDJRL Director of Referees and our own Junior Appointments Board will be to continue to strengthen and broaden our experience levels and to enhance recruitment activity so that we maintain a vibrant group of referees. Recruitment is especially important, and to that end we welcome the recent efforts within the CDJRL to encourage the introduction of refereeing classes within the ACT college system, particularly at Dickson and Erindale Colleges.

The Association will need to more effectively link its demand for more recruits with the offering of training courses. This will require, as we have realised in the past, a far more efficient arrangement with the ARL's formal NRAS scheme, an arrangement we have not yet been able to perfect. Perhaps this will be a matter of the incoming board, and the Director and Chair of the JAB, sitting down with the NRAS team in our area to nut out ways of proceeding.

It is probably time, too, that we reviewed the effectiveness of the structures which under-pin our on-field management approach. By this I mean taking a look at how the appointments process works, how we select and nominate people for representative duties, what we do outside the NRAS program to encourage and develop referees, the efficiency and effectiveness of our communication channels, and whether we can improve the mechanism by which we advise appointments. On the latter point, it is only a matter of time before there is an Association Website for this purpose. Already, some of us receive appointments notification by e-mail. And in view of the increasing, use of electronic information, what role will *In Touch* have as a hard-copy newsletter in the next century? On the other appointments process and communications questions I have raised, it is always good to take time out to look over existing systems and practices, not necessarily to change, but almost always to fine tune. One major step was taken in this during season '99 via the new match reporting approach. As is often the case when long-held practices change, some found it better, while others found it a little bit more difficult to come to terms with. But overall, I think the majority will agree that it worked to the advantage of referees.

At the beginning of this year we faced a less than satisfactory financial position, such that we had to be enormously careful about how our spending patterns. It is gratifying that

REPORT OF THE BOARD OF MANAGEMENT

through the work of the Treasurer, Chris Nightingale, the accounts being presented at this annual general meeting, show a vastly improved position.

Our financial status is very much enhanced by our sponsorship from STEGBAR. This has been a long term relationship with STEGBAR, beneficial to both parties. I formally thank STEGBAR on your behalf for their commitment, now stretching back many years to the first time we agreed to have a sponsor.

We also appreciate the financial support that the RAIDERS provide for us, especially through their financial contributions. This comes in two major ways: the RAIDERS meet referees' fee commitments for local clubs and they provide us directly with financial support for our development purposes. The financial support of the ACT Leagues Club, which enabled us to have special functions during, the year, is also deeply appreciated.

One of the key links we have for the development of our referees is with the NSWRL Referees Association. This is a valued partnership that means career paths for our members. But it, too, brings a financial benefit to our Association through an annual grant that enables us to support training and other development activity. It is through this special partnership that we can start referees on the path to grade and perhaps the NRL competition. We thank the NSWRLRA for its very positive support for our Association, not only through the opportunities it provides for referees to gain valuable experience, but also for its continued financial assistance.

This year Chris Nightingale has put in a major personal effort as our Secretary/Treasurer. He leads a busy professional life but still finds time to care for our business with a thoroughness and thoughtfulness that makes our administration envied by others. Chris has the magnificent support of his wife, Rose, and we thank her for all those unseen things which she does for us, often at short notice and often while Chris is away from Canberra. Thanks to both of them. Chris has been more than ably supported by his Assistant Secretaries, Dave Hall and Peter Castle. Where would we be with the management of our on-field program without the committed and knowledgeable Dave Hall? Special thanks also to Neil Maher for continuing the hard job of conducting physical training sessions on a weekly basis.

My personal thanks to all members of the Board of Management for their work during the year and for their support. To all members of the Association, thanks for making 1999 a very positive and rewarding season.

Best wishes for the entire off-season, especially over the festive period. See you in 2000.

Jim Mahoney.

REPORT FROM THE DIRECTOR OF REFEREES

The 99 season had expected problems, however it was pleasing to observe the way they were dealt with by a majority of members.

Applying the Directives was slow at the start of the season but became noticeably consistent as the year progressed. The feedback from clubs is rewarding in respect to their application. Players are becoming aware of what is expected, as a result games are becoming trouble free &, entertaining.

Quite a few referees were appointed to higher grades throughout the season & all handled the task in a true professional manner.

All appointed to the Final Series arc to be congratulated. The performances were outstanding which in turn made it very difficult to choose who would officiate in the Grand Finals.

Overall I feel the season has been successful & I thank you for your support throughout the year.

Finally I am also grateful for the support given by members of the Advisory Board & for the contribution given by David Hall.

I wish you & your families all the very best for the Festive Season.

Remember ENJOY YOUR REFEREEING.

Noel Bissett
Director of Referees

SECRETARY'S REPORT 1999

The year started on a sad note with the passing of Jack McKie. Jack was well known to all members up until the last couple of years when ill health forced him from taking an active part in the assessment of Referees. Before this you could always find him at one of the grounds around Canberra giving out his special advice. Jack became one of the first Life Member's of this Association in 1963. He received the Order of Australia Medal for his contribution to Refereeing and Rugby League. A decision was made earlier in the year to create a new annual award in honour of Jack McKie. This Memorial Trophy to be known as the On-Field Performance Trophy was presented by his wife Jean McKie at our Annual Dinner. We thank Jean for this privilege and hope that she will continue to present this award each year.

One of the first things I wish to do is start out by thanking a number of people who have helped me during the year. I though last year (1998) where I spent 10 months in Sydney was hectic, but this year I seemed to have less time for everything. Firstly my wife Rose, she put up with the frequent work trips away, referees knocking on our door for gear or to drop off Incident Reports. She kept records of who collected what and did most of the banking. Dave Hall, Dave Adams and Peter Castle who organised events etc and the President Jim and the Board of Management who made things easy to run.

Our two Exchanges with Western Suburbs and Group 9 were again a success and congratulations to those who helped organise and participate. We had a few hiccups during the year where people went missing from appointments, but generally we covered all events with pride and professionalism.

Our liaison with the Canberra District Minor Rugby League (CDMRL) and Canberra District Junior Rugby League (CDJRL) continued to develop and thanks go out to the members of those Boards in particular, Karen Ebsworth and Rhondda Carsons.

A sad point is our number of experienced referees continues to decline, not dramatically, but enough to make it difficult to fulfil all appointments. We are lucky we have Dave Hall, the magician. We are taking positive steps to turn this decline around. Dave Hamilton, the Minor League Development Officer approached us at the end of the season offering assistance with recruitment through his contacts in the local sporting bodies. One area was recruitment through the Rugby League programs at Dickson and Erindale Colleges. This has already paid dividends with about 20 students showing, interest in completing their Referees course. Our challenge for the Year 2000 is how do we manage this.

The Association could not survive without sponsors. It is hard to put into words the effect of the major sponsorship of Stegbar. Added to this we received sponsorship grants from the ACT Leagues Club, Canberra Raiders (CDJRL) and New South Wales Referees Association. If not for all of this your affiliation fees would be much higher. This money has also allowed us to be in very stable financial position for the changeover to a new uniform in the Millennium Year 2000.

SECRETARY'S REPORT 1998

There are several reasons why the Board has selected the National Rugby League colours (green and black) to put forward to the members. 1. The design is already in place, no setup costs; 2. Suppliers are readily available; 3. It will lift our profile, people recognise the colours; and 4. The colours will not clash with any teams in the local competitions. This continues the financial advantage in only requiring one jumper, rather than a number of alternative jumpers.

Each year before the Annual General Meeting, I try to look into my crystal ball about how our finances are situated for the next year. Last year after AGM costs and Honorariums we were left with about \$500.00. This included the amounts deducted for 1999 Affiliation and In Touch fees. This year we should have about \$6,500.00. This will just be enough to buy one set of jumpers, shorts & socks for each existing member. What it does do is allow us to consolidate our programs from the Year 2001.

Finally, I hope everyone has a very merry Xmas and a Happy New Year. Drive safely and keep yourself refreshed for the Year 2000. The Olympic Year will see sport start earlier, so keep the fitness up.

Chris Nightingale
Secretary/Treasurer

Independent Auditor Report

Canberra & District Rugby League Referees Association Incorporated (CDRLRA)

To: Members
Canberra & District Rugby League Referees Association Incorporated

I have audited the attached financial statements of the CDRLRA for the financial year ended 30 September 2000. In my opinion:

- a. the financial statements of the Association are properly drawn up:
 - so as to give a true and fair view of the matters required by section 72(2) of the Associations Incorporation Act 1991 to be dealt with in the accounts for the financial year reported on:
 - in accordance with the provisions of the Act; and
 - in accordance with Australian Accounting Standards.
- b. proper accounting and other records have been kept by the Association.
- c. the audit was conducted in accordance with the rules of the Association.

Stephen Barry
Honorary Auditor, CDRLRA
Student Member ASCPA and ICAA

JUNIOR APPOINTMENTS BOARD REPORT

Firstly, I would like to thank all members of the Junior Appointments Board, Neville Norris, Bill Gregory, Ian Lyons, Dave Adams and Neville Harradine for a somewhat harrowing 1999 season. Also a special thanks to David Hall for his help and support through the year.

Secondly, I would also like to thank and congratulate all those members who have given their time to referee Juniors throughout the 1999 Season and Final Series. This season saw a new Development Programme started for the Junior Members. With a sponsorship grant the Junior Appointments Board acquired a set of 2-way radios. This equipment was used in later part of the season with great success. It is envisaged that this programme will go ahead in leaps and bounds next season as part of the Junior Appointment Boards ongoing development of Junior Referees.

Finally, I would like to wish all members and their families the very best for the upcoming festive season and look forward to your involvement in the new Millennium season.

Many thanks to all,

Phill Byron
Chairman JAP 1999

1999 GRAND FINAL APPOINTMENTS

Grade	Referee	Touch Judges	
-------	---------	--------------	--

Canberra and District Junior Rugby League			
Canberra Raiders Cup A	Michael Harradine	David Adams	Peter Castle
