## PRESIDENT'S REPORT

As you would all be aware I took on the caretaker role when our long serving and much respected President Jim Mahoney resigned in June, and in this role I have been asked to report my thoughts and give an overview of this past season. Apart from the upheaval mentioned above the CDRLRA continues to thrive and season 2001 was no exception. Excellent on field performances at all levels were the feature and this is very pleasing considering our continued struggles with numbers, especially at the senior level.

But being the forward thinking organisation that we are we decided there'd be no resting on laurels, and began through a series of workshops a programme of examining the way we conduct our business in an effort to continue progressing and improving our association. As a result over the next 12 months a number of recommendations will be implemented with the first area being appointments and development, then other areas that were looked at will follow. We hope to have the patience and co-operation of all our members with this.

Over the years I've often thought what I'd change about this association if I had a Magic Genie and a wish. And that would be more of us to share all the extra experiences that avail themselves through refereeing. If more of us realised that there was so much more to being a member than just our on field duties, and while this forms the basis, my understanding of the word member means a collective of individuals with a shared goal. We referee our game on any given day collect our money and many of us believe that is the extent of our involvement. I guess it depends on what you are looking for with membership, but I can tell those many that they are missing out on so much more that is happening, like endless amounts of personal development and satisfaction, life long memories and friendships. If you are driven enough hopefully a career path, and last but not least, pride in this wonderful Association. All of this comes as a result of the individual's contribution. By looking for these things through your input and involvement, it would be my wish that more of us discover the other benefits of being a member in this organisation.

We all follow the fortunes of Rugby League at the top level for it effects us all, it is definitely a game at the cross roads and as the Canberra Raiders struggle on the field, I for one never thought I'd see the day when they would play second fiddle to any one let alone a Rugby side. Still these things go in cycles and the shoe may well be on the other foot before too long ,and we will continue along confident in the product that is Rugby League. It is the game we have chosen to be involved with and it is my hope that one day soon it will be given a fair shake by all, especially the media for I'm sure that there isn't a sport anywhere in the world that has been more maligned.

I would like to thank Noel Bissett and his senior appointments board for their hard work this year, also Phil Byron and the juniors for the same, as well the In Touch committee and the entire board of management with special mention of the enormous contributions from David Hall and Chris Nightingale, without the efforts of all of the above we cease to function.

In closing I would like to wish you all a safe Christmas and New Year and I look forward to seeing you all in 2002.

David Adams

# BOARD OF MANAGEMENT REPORTS

## SECRETARY'S REPORT

Members and interested parties,

This year was certainly a mixed bag for myself, personally, professionally and recreationally (refereeing). A sad point through the year was the resignation of our President Jim Mahoney. Hopefully in the long term he will not be lost to our Association. I spoke to Jim recently and he expressed his opinion that change needed to continue and this could be achieved through new blood throughout the Association. Another sad event for myself was the on-field death of a Snowy River Bears player at Binalong. Sympathies go to his family and a special thanks to Janine Mahoney who provided any counselling needed for our members.

### Support

Special mention must go to those who support us during the year, our spouses. Without them our commitment would not exist. I am lucky enough to have Rose who acts as Secretary, Treasurer and Gear Officer when I am away or busy studying. There are numerous members whose efforts allow the Association to function, the complete Board of Management, especially Dave Hall, our Appointment Boards, in particular Noel Bissett and Phill Byron. Thanks go to those members who help at training, seminars, social functions and other events.

### Workshops

We commenced our Workshops during the year with several meetings. Unfortunately things did not go as planned. We don't have the luxury of having full time members who can devote a great deal of time to any projects. We all have family lives, coupled with work and recreation. The end result is that our time is limited, so we get done what we can. We have commenced restructuring our appointments system. The outline of this is:

- Two appointment boards, Senior and Junior, both consisting of four (4) members, one of whom will be the Chairperson. The Chairperson is appointed by the Board of Management after receiving expressions of interest. Ideally there should be one person on both boards to allow for a greater exchange of information.
- There will also be two Advisory Panels to assist the Appointments Boards. The members of these panels can have a casual arrangement and be available whenever possible. Members of this panel can still be active. Before any member is accepted to these Panels they will be assessed that they are able to provide the correct guidance and encouragement to the members that they will be assessing. One suggestion is that senior members not involved in minor league football will attend grounds near where they live and spend time assessing junior members at that ground. They will then provide reports back to the Appointments Board.
- That we need to introduce a better system for dealing with complaints from Clubs and complaints that our members make about coaches etc.
- At the beginning of the season all members will sit down with the Appointments Board and outline their goals and aspirations for the year (Goal Setting). Prior to this the Appointments Board will assess at what level/grade of football each member is and relay this to them at the meeting. It is proposed that this will occur again mid-way through the season.
- That a document be produced outlining the responsibilities of the Association to the members and vice versa, the members to the Association.
- That a training & social levy be introduced and linked to our appointments system.
- That guidelines be drawn up and published for the appointments policy. Some suggestions were that only members with 5+ years of experience are appointed to U6 & U7 games; that a 30 point system be introduced i.e. you could receive appointments to 3 x U10 games (30), 2 x U15 games (30), 2 x U8 and 1 x U14 (30), but not 2 x U16 games (32); that Preliminary Referees be generally only appointed to games in the U8-U12 age groups (exceptions will apply).

# BOARD OF MANAGEMENT REPORTS

- That a Development Officer position be created to fit between the NRAS and Appointment Boards.
- That all members must produce a Medical Certificate at the beginning of each year outlining their fitness level to referee.
- A suggestion that only an amount of \$15.00 cash be paid for all minor league games on the day. The remainder will be invoiced to the Clubs and distributed to the members after any training, social levies etc are deducted.

## Sponsorship

As members will see from our Financial Report this year, the only sponsorship forthcoming has been \$1,000 from The Braddon Club. This has had a profound effect upon our financial situation as more fully explained in the Financial Report. I will be recommending at the Annual General Meeting that we form a Sponsorship Committee to seek out new sponsorship for the Year 2002.

It is very disappointing that after 20 years with Stegbar, their much appreciated sponsorship appears to have ceased. Over the past 20 years their sponsorship has enabled this Association to achieve a great many things and the Rugby League public has come to see Stegbar as being part of the referees. What makes the apparent lack of sponsorship more disappointing is that there has been nothing forthcoming from Stegbar as to why this is the case, just silence.

I first wrote to Stegbar outlining our plans for the year in February, then in May we sent an invite to them for our Western Suburbs exchange. I wrote to them in June about organising a night function at a Raiders home game. No response was heard. Dave Adams contacted them in August offering free tickets to the NRL Grand Final, which were refused. I continued with an invite to our Annual Dinner, again no response. In addition to the above a number of phone messages were also left throughout the year, with no reply. Finally in mid October I sent an e-mail outlining all the above. No reply yet again. The possibility of new sponsorship may also mean a change to our attire. This will require the cooperation of members.

## Committees

I believe that two Committees should be formed immediately after the AGM. These being a Sponsorship Committee and a Social Committee. For some time now members of the Board of Management has divided their time to these two areas. I believe we need to involve more members in these activities.

## Now for some of the highlights:

- Again we had a very successful trip to the Tamworth Peel Schools Carnival and they were most impressed with the standard and professionalism shown by our members.
- Our exchange with Western Suburbs took place and the members involved gained invaluable experience from those games.
- We continued trialing the use of radios for the referee and touch judges. This was a resounding success and dependant upon finances, this will take on a greater emphasis in the year 2002.
- Our Junior Representatives and Graded members participating in Sydney showed other Associations just what we are capable of.

## Representative Honours

Our members continued to represent our association at all levels with no fewer than 10 performing outstandingly during season 2001. Ben Cummins, Michael Laverty, Chris Wilson and Rob Gallacher all refereed in the Jersey Flegg competition this year with Nathan Hill on the touchlines in this comp as well. Rod Cranston had another successful year in 1<sup>st</sup> Division with other highlights seeing him referee the Nutra Grain Cup Quarter Final and Metropolitan

# BOARD OF MANAGEMENT REPORTS

Cup Semi-Final, Michael Harradine was a regular Metropolitan Cup 1<sup>st</sup> grade referee & was appointed to several 1<sup>st</sup> Division games this year.

Dave Adams & Peter Castle were regular Metropolitan Cup touch judges & also were appointed to several 1<sup>st</sup> Division games. Their season was capped off with an appointment in goal in the Nutra Grain Cup Grand Final at the SFS while Peter Castle was rewarded for a superb final series with an in goal appointment for the Jersey Flegg Grand Final at Stadium Australia on NRL Grand Final day. Glynn (Plastic) Henderson was again a regular on NRL touchlines in 2001.

## Changes to the Minor League

From next year there will no longer be an U17's competition. Some other ideas being thrown around are:

- Under 15's will play on a Friday night combined with the Girls Oztag competition;
- Under 16's will play prior to the U18's in the Senior Competition;
- Age groups will be broken up into geographical zones rather than divisions;
- Age groups will play at the same time each Sunday morning e.g. U10's will always play at 10am, U11's at 10:50am etc.
- That some U12 competition games will be played at Bruce Stadium prior to the Raiders home game.

Decisions on these and other ideas will take place over the off-season.

## Changes to the Junior League

The U19 competition will be replaced by the U18's. There are also rumours circulating that the Junior League competition will be bolstered by additional teams & clubs. We can only hope this is so as it opens further opportunities for our members.

## Our Future

It has been said that the only constant about change is change. Rugby League is being challenged from all other sports and other recreational pursuits. All bodies involved see this and positive steps are being undertaken to stop the drain away from League. We as referees can play a major part in this. However we can not do this by remaining stagnant. Our performance both on and off the field has an impact on whether parents allow their children to play League. We have to work with the other sporting bodies to improve our performances and challenge the way we currently go about this. If someone has a suggestion to improve a certain aspect of our Association, don't sit on it. Speak up. You may have come up with something too radical, but this does not mean part of the idea can't be used. We have and must be prepared to compromise.

I wish all members a very Merry Christmas and Happy New Year. Keep the training up, the season kicks off again in the new year.

Chris Nightingale  
Secretary/Treasurer

## **DIRECTOR OF REFEREES REPORT**

Overall the 2001 season was very successful in respect to Performances, Promotion & Communication.

I am sure you all would agree the improvement as far as on field performances over the last few years & in particular this season has been to say the least outstanding. It is certainly satisfying to myself as well to see the improvement & to hear the gratifying remarks from club officials & coaches in respect to the betterment, including the consistency displayed by all members. The perseverance in applying the Coaching Guidelines has played a major part in this achievement along with goals for yourself & the Association. Well Done.

During this season there were a considerable amount of promotions. Michael Laverty was given the opportunity in A Grade & as a consequence has established himself there. Dominic Feenan had a taste in A also & has shown he will be a strong contender in the future for a permanent spot. Ian Carroll early in the season received C Grade appointments before establishing himself in B Grade along with Nathan Hill. Both Paul Flynn & Ben Everill were promoted to C Grade from the Minor League. After filling in on an A Grade Touch Line Robert Moore retained this position for the remainder of the season. These successful promotions along with the abundance of talent progressing in the Minor League looks very promising for the future of the Association. Not forgetting the stalwarts who handle the George Tooke competition & fill in, in many difficult areas when required. No Association can operate effectively without you. We are fortunate enough to have an excellent lot who operate in this area & I congratulate them.

Communication between players & referees contributes to a Major part of controlling a game. I believe this season there has been a vast improvement in player, referee relationship.

The visits to clubs were received well by both coaches & players with interest generating a substantial amount of constructive questions after explaining the Guidelines with which we operate. It is becoming evident that clubs are beginning to become aware what we, as referees, require on the field. This I am sure will be achieved overall if we remain consistent In our application of the Guidelines I have set for you.

To all who received Appointments to the Final Series your performances were of a high standard & certainly did the Association proud.

To ALL members I wish you well in achieving your goals. Remember, be realistic, dedicate yourself & you will succeed. Most of all ENJOY YOURSELF. To all who have supported me, I thank you, I am most appreciative. Finally thank you to members of the Advisory Board & Dave Hall for your assistance throughout the year. I am most grateful.

I wish all members & your families a Happy Festive Season & a Happy New Year.

NOEL BISSETT.  
Director of Referees

# BOARD OF MANAGEMENT REPORTS

## JUNIOR APPOINTMENTS BOARD

Firstly I would like to give a big thank you to members of the Junior Appointments Board, particularly Neville Norris, Neville Harradine and Bill Gregory for their efforts and commitment throughout the season.

Congratulations to all those members appointed throughout the Minor League Finals Series, not just the Grand Final but the Semi-Finals and Preliminary Finals.

A further thank you to all those members who gave up their Sunday mornings so that kids could have a game of football. Well Done, we managed to referee all games, but this was stretched on occasions by late pull outs and late arrivals. Once again the appointments system would not run without the assistance of Dave Hall in handling all the pull outs and time changes during the year. Unfortunately some members do not make this an easy task, and should think about the inconvenience they cause to other members who sometimes bear the brunt of the abuse because your failures.

I was disappointed at the lack of commitment shown by some of our junior members and the failure by a number of our Senior members in assisting and looking after our new juniors throughout the year. As an Association we made a commitment at the start of the 2001 season towards the on-field management system. Unfortunately this did not follow through with the outcomes. If we have these seminars and commitments, more members must be prepared to take a lead role rather than sit back and wait.

Congratulations to this years Annual Award Winners, although not entirely at the Junior Appointment Boards choosing, whereby the Board of Management overruled a recommendation made by the JAB.

Best wishes and good luck to all for the 2002 season and to all members and their families for the festive season and the New Year.

Cheers  
Phill Byron  
Chairman  
Junior Appointments Board

## Independent Audit Report

The Association is again in the position that due to GST constraints we have been unable to have our books audited. Unfortunately our financial year ends on 30 September and this coincides with the end of a financial period for GST purposes. This will again mean that our Audited Financial Statement will be presented next year.

This year sees our financial situation showing a loss of \$2,734 for the year. This means we will be forced to use funds from Affiliation Fees and In Touch Subscription for 2002 that have been paid in advance. This loss of \$2,734 can be directly attributed to the fact that very little sponsorship monies were received during the year. In 2000 we received \$11,000 in sponsorship, of which a great deal was spent on our new refereeing strip. In 2001, sponsorship received was only \$1,000 from The Braddon Club. One plus however is that very little gear will need to be purchased in 2002.

The above table is produced so that members can assess the financial situation of the Association over the past six (6) years. 1997 saw the introduction of the Mind Your Own Business (MYOB) Accounting Software, grouping all expenditure into one financial year, rather than spread across two years under the old paper based system. Whilst the expenditure in that year appears to be abnormally high, the figures were derived over an 18 month period.

The year 2002 will see new challenges in dealing with our finances.
